

Update

2 March 2012

From March 5, Mobile Insurance is all GO!

We're changing our name from Mobile Insurance Consultants Ltd to Go Cover Car Insurance.

We've got a fresh new look but you'll still get the same trusted service from the people you've come to know at Mobile Insurance Consultants.

Go Cover Car Insurance specialises in supplying motor vehicle insurance at the point of sale, and our key staff have more than 15 years experience in the field.

All the staff, service and product offering are the same, we'll just be answering the phones 'Go Cover Car Insurance' from Monday onwards.

The office numbers are:

Ph: 09 571 7000

Freephone: 0800 847 847 (for admin queries)

Quoteline: 0800 111 801 (to get insurance quotes).

During the transition all of the existing Mobile Insurance Consultants forms and quotes will still be valid.

Go Cover sales consultants will update proposals, stationery, flags and promotional material over this transition period.

Kind regards,

Denise Bellingham
Manager, Go Cover Car Insurance
